Windows 11
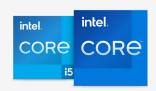

Super Portable, Super Customisable

Stonebook Lite

Boasting up to a 12th Generation Intel® Core™ Processor, the Stonebook Lite offers a host of features, including the latest Intel® UHD and Iris® Graphics, TPM 2.0 as standard, alongside additional security features in a slim and stylish chassis. Our slimline 14" design allows for ultimate mobility, but this smaller chassis doesn't limit customisation. Choose from a range of memory and storage options to create Stonebook Lite that suits your needs.
